As an inclusive sport, the NRLB welcomes applications from everyone and has a commitment to progressing towards achieving greater inclusivity across the sport. We therefore strongly encourage applications from anyone who has a passion for the overall development of Rugby League in the Netherlands.

This is a brilliant opportunity to join a developing nation with an exciting future. With fantastic people, a strong organic community, and one of the best Rugby League experiences, this role offers genuine potential for anyone enthusiastic about sport and development.

Our ideal candidates will have strong communicative skills, personal integrity, and take pride in their role and output for the development of the sport in the Netherlands. Volunteers are the backbone of Rugby League events, and are significant in supporting the rise of the sport. Previous events have shown just how integral volunteers are to the smooth running of a tournament/event. Our volunteers will be the first faces people see when they arrive at events up and down the country so it's vital they get a warm welcome.

They will be deeply motivated by the exciting opportunity to work alongside staff and playing personnel within the NRLB to help shape the professional image of the sport in the Netherlands. The right candidate must be driven, passionate and possess the ability to work with others to execute events to the highest level.
